EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Priority

Acknowledgment is made of applicant's claim for foreign priority based on an application filed in China on 12/30/03. It is noted, however, that applicant has not filed a certified copy of the 200310122966.4 application as required by 35 U.S.C. 119(b).

The following changes to the drawings:

Figures 1-6 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. In order to avoid abandonment of the application, applicant must make these above drawing changes.

The application has been amended as follows:

In claims 5 and 15, line 14, replace "angels" with --angles--.

The following is an examiner's statement of reasons for allowance:

Claims 5-10, 12-20 are allowed because none of the prior art alone or in combination teaches or suggests the particular subset of the process steps in etching includes a dry etch using a plurality of ions having a plurality of velocity respectively, the plurality of velocities having a plurality of angle with respect to a direction to direction vertical to a top surface of the dielectric layer respectively, an average magnitude of the plurality of angles being smaller than 10 degrees.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
